EXPLANATION

NOTE: If your application is approved, the elective coverage agreement will be subject to all of the requirements and conditions of the CUIC Sections 631, 702.5, 704 and 707.

Eligibility for state disability insurance benefits under the CUIC does not begin with the commencement date of coverage. Generally, a minimum of 7 months must elapse from the commencement date of coverage before a valid claim may be filed based solely on wages reportable under your election.

CERTIFICATION:

I, the undersigned, certify that the statements made in this application are true and correct to my best knowledge and belief. I hereby elect and make application to have the exempt family services considered as employment subject to the CUIC for state disability insurance only. The elective agreement is to be in effect for at least two complete calendar years or until termination of employment in my business. The elective agreement may be terminated by filing a request for termination by January 31 of any year following two complete years of elective coverage.

ALSO NOTE: The employees who are covered by election under Section 702.5 of the CUIC, are also subject to the California Personal Income Tax (PIT) withholding law. The agricultural employees are not subject to the California PIT withholding law, unless both the employer and employee agree to have the state PIT withheld.

Wages and Contributions — Section 702.5: Contributions to be paid for 'Family Employment' elective coverage are to be based upon actual wages paid to covered family members for services performed up to a maximum wage limitation for the year for each family member.

There is no provision in this section to permit the contributions to be based on other than actual wages paid.

The amount of any disability benefits paid will also be determined on the basis of wages paid.

Social Security Number Disclosure:

The disclosure of your Social Security Account Number is mandatory under the Federal Tax Reform Act of 1976. The number will be used for identification purposes and will be available only to authorized personnel within the Employment Development Department and other government agencies as permitted in Sections 322 and 1095 of the CUIC.
